new start-up space

10

conferences

7 000

visitors expected

70

media partners

1 000

VIP expected

# HEADING SOUTH

After 3 editions in Paris, Euromaritime will be held in Marseille for the first time.

## **Our ambition**

To strengthen synergies between North Europe, South Europe, and all the Mediterranean countries.

## **Our strengths**

A dynamic ecosystem and committed partners in the South (institutional and industrial) and the North (Germany, Benelux, Scandinavia,...)

# WHY MARSEILLE?

**Marseille hosts the 1st port in France** at the crossroads of South and North Europe.

It extends on:

**70 kms of shoreline and +10,400 ha** that gathers a total of **24 activities**

(containers, logistic platforms, solid bulks, liquid bulks, naval repairs, cruise passengers...)

*Euromaritime is chaired by Mrs. Christine Cabau, former Managing Director of the Marseille port authority and current Executive Director in charge of the assets at CMA-CGM.*

WITH THE SUPPORT OF :

IN PARTNERSHIP  
WITH:

# EUROMARITIME, PORTS IN THE SPOTLIGHT

## **As key players in the port industry**

You can take action and contribute to the energy transformation of ports and their modernization:

- Sustainability
- Process digitalisation
- Emissions reduction
- Ports attractiveness
- Intermodality – exchanges with the hinterland
- Passengers & goods transport security
- Maritime & coastal zones protection
